

LEO XU PROJECTS

CHENG RAN 程然

Literature, European Art House Cinema and Western Pop Culture are Cheng Ran's (b. 1981 Inner Mongolia, China) main sources of inspiration. These influences refer to the many bootlegs and illegal versions of films, books and other manifestations of western pop culture in China, where they are often 'enriched' with new covers, added text and sometimes even entire chapters. This post-modern way of dealing with meaning, copyright and authenticity is the starting point for Cheng Ran's practice, which consists mainly of video and film, as well as photography and installation. He dives into the gaps within existing plots, adding speculative stories, connections and perspectives to soundtracks of classical music.

Cheng Ran has exhibited at numerous museums and biennales, including Yebisu International Festival for Art & Alternative Visions, Yebisu Garden Place, Tokyo, Japan, 2016; "Unlimited", Art Basel, Messe Basel, Messeplatz, Basel, Switzerland, 2016; "Utopia and Beyond", Castello di Rivara - Centro d'arte contemporane, Turin, Italy, 2016; "SALTWATER: a Theory of Thought Forms", the 14th Istanbul Biennial, Istanbul, 2015; Van Gogh Museum, Amsterdam, the Netherlands, 2015; "Inside China", Palais de Tokyo, Paris, France, 2014; "Decorum-Carpets & Tapestries by Artists", Power Station of Art, Shanghai, China, 2014; "We Have Never Participated", the 8th Shenzhen Sculpture Biennale, Shenzhen. Recent solo exhibitions include: "Diary of a Madman", New Museum, New York, USA, 2016; "In Course of the Miraculous", K11 Art Foundation, Hong Kong, China, 2016; "Orange Blue", Qiao Space, Shanghai, China, 2016; "A Film in Progress", Galerie Urs Meile, Lucerne, Switzerland; "In Course of the Miraculous", Galerie Urs Meile, Beijing, China; "The Music is On, The Band is Gone", K11 chi art museum, Shanghai, China, in 2015; "Cheng Ran: A Telephone Booth Romance", Leo Xu Projects, Shanghai, China, 2014; "Immersion and Distance", Ullens Center for Contemporary Art, Beijing, China, 2009, among others.

Cheng was nominated for the "Absolut Art Award" in 2013 and the first edition of OCAT – Pierre Huber Art Prize, and won the "Best Video Artist 2011" award from art magazine Randian.
