Leandro Erlich: Project Shanghai

until Nov 22

Leo Xu Projects presents the Argentine artist Leandro Erlich's first solo show in China, Project Shanghai, as part of the 15th Shanghai International Arts Festival. This show features two critically acclaimed large scale installations Shikumen House and Changing Room, dealing with the physicality of space and local history. Visitors are welcomed to come interact with them at Jing An Kerry Center from 10am-9pm daily. No charge.
