Breathe in, breathe out. Frieze is almost over.

Looking back on the beautiful madness, we've picked out the trends we saw dictating the overwhelming maze of contemporary artworks. This year's fair seemed to appeal to the kid in all of us; feeding our attraction toward bright colors, yummy food, sex and, well, our own reflections. Check out our list of the 10 trends than reigned at Frieze 2013.

Let us know your favorite and least favorite artsy motifs in the comments.
